Recommended Four-Year Plan (Fall 2022)

This recommended four-year plan is designed to provide a blueprint for students to complete their degree. The plans are the recommended sequences of courses. Students must meet with their Major Advisor to complete their degree. This plan assumes that no developmental courses are required. If additional courses are needed, students may have additional requirements to fulfill which are not listed in the plan and are longer. Three writing intensive courses are required in the major and/or school core (examples are listed in the plan below). Consult with your advisor for specific details.

NOTE: This recommended Four-Year Plan is applicable to students admitted into the major during the Fall 2022 semester.
